Toscana

INDICAZIONE GEOGRAFICA TIPICA

This red wine, with its warm fruity notes and sunny, Mediterranean character, comes from the heart of Tuscany's Maremma zone.

TASTING NOTE

A deep ruby red in color, it displays a complex and fragrant bouquet of wild berry fruits, leather, and the balsamic herbs of Mediterranean shrubland. On the palate it is rich, well-structured, attractively well-balanced and mouth-filling, with an intense, persistent finish.

GRAPES

Alicante Bouschet 100%

ORIGIN

Alicante is an ancient grape, widespread in Spain and France. Studies and research confirm the arrival of this blend in Maremma and in particular in Scansano during the Spanish domination. The Alicante bouschet has been planted since the acquisition of Poggio al Tufo in 1997. The grapes are today selected both in the Bottinello vineyard in the Rompicollo estate in Pitigliano and in the Albore estate in Scansano.
